**9. Final Question: Tell us what you think! CWCA is currently developing its technologies to better meet changing artist needs. We are considering a member gallery/archive as one way for all members to have a web-presence and make professional connections. The minimal fee involved would help CWCA pay for more programs, events and exhibitions for members. The benefits to participants are improved ranking in search-engines (reciprocal links increase popularity) and greater exposure through the CWCA website and network. Details: All member artists would be listed on our website. Member artists who chose to participate in our Member Gallery would receive their own, personal web-page on the CWCA site which would include 15 - 20 images, a bio and/or resume, links to any additional websites or gallery, your e-mail and other contact info as well as a listing of the types of opportunities you are interested in being contacted for. The minimal fee involved would be competitive with other organizations, details to be determined with your input.**
